

1. Cut out the 3D graphic organizer along the light gray line.
2. Cut along the dotted lines.
3. Fold in half – a 'hot dog' fold
4. Open the flaps to describe each type of rock.

5. Fold in thirds so that the title shows on the front of the graphic organizer.

*Types of  
Rocks*

*Igneous*

*Sedimentary*

*Metamorphic*
