

The Nervous System Mind Map

Purpose: Illustrate the structure of the nervous system by making a mind map.

Directions:

1. Work in groups of 2 or 3.
2. Decide which of the two options you prefer for your mind map --
 - a. *The computer application Inspiration*
 - b. *Drawing paper & map pencils / markers*
3. Fill in the missing concepts on the map – use your textbook and labs as references
4. Illustrate the map by drawing pictures or inserting clipart for each concept
