

Name \_\_\_\_\_

## **Abstract First Draft**

The abstract is a **summary** of the entire investigation. It describes the entire investigation from start to finish.

It is five (5) paragraphs long.

- **Paragraph 1** – summarize & state your question, purpose and hypothesis.
- **Paragraph 2** – summarize the highlights or main ideas of your literature review.
- **Paragraph 3** – summarize & describe the materials used and the procedure you followed while doing the investigation. Do not use lists or numbered steps.
- **Paragraph 4** – summarize & describe your data and your analysis of the data.
- **Paragraph 5** – summarize & describe your conclusion, expansion & application.

WRITE YOUR ABSTRACT ON A SHEET OF NOTEBOOK PAPER AND  
STAPLE IT TO THIS SHEET.
